TESTIMONIALS

"Having never picked up a golf club, I had no idea how fun this game can be.

I have had only 4 months of tuition with Ethan and I feel I can hold my own on the course.

Ethan is not only great value, he also understand how to get the best out of me."

David Whatling
Social Golfer

"Trackman adds a new dimension to the golf lessons with Ethan. Seeing the numbers change as he makes small alterations in your swing gives amazing feedback."

Bob Pearson
